

SET UP YOUR PERSONAL HEALTH PORTAL ACCOUNT

- Go to www.numc.edu
- Click on **Access my Medical Records**

- Click **Register Now** and create your **Username and Password**
(Write your username below)

A screenshot of the 'Sign In' page. At the top, there are 'Sign In' and 'Options' buttons. Below them is a 'First Time User? Register Now' button. Underneath are input fields for '*User Name:' and '*Password:', followed by a 'Sign In' button. At the bottom, there are links for 'Forgot your password?' and 'Forgot your username?'.

CREATING USERNAME AND PASSWORD

Passwords must:

- Be at least 6 character(s) long
- Contain at least 3 of the following types of characters:
 - 1 special character
 - 1 number
 - 1 English upper case character (A-Z)
 - 1 English lower case character (a-z).

A screenshot of the 'Create New Account' form. The form includes fields for: Account user name (with a 'Check availability' button), Account password (with a 'Password guidelines' button), Confirm password, Last name, First name, Middle name, Date of birth (MM/yyyy), Email, Confirm Email, Phone, Security question (a dropdown menu with 'What was your childhood nickname?' selected), and Security answer. A checkbox at the bottom is labeled 'I agree to the terms and conditions.' and is circled in red.

Check off I agree to terms and conditions

VERIFY EMAIL

An email will be sent to the email account you registered. You must use that link to activate the Portal

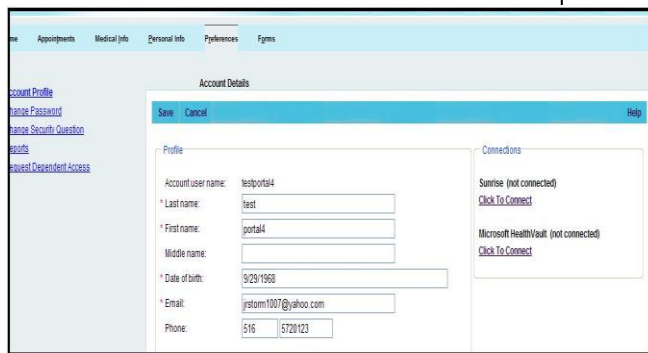

- Click the **verify statement** and click **Connect** to continue

A screenshot of the 'Connect to Your Healthcare Organization' page. It contains instructions on how to connect a patient portal account to a Sunrise record. Below the instructions is a 'Terms of Use' section with a checkbox that reads 'I verify that I am the patient associated with this patient portal account.' This checkbox is circled in red.

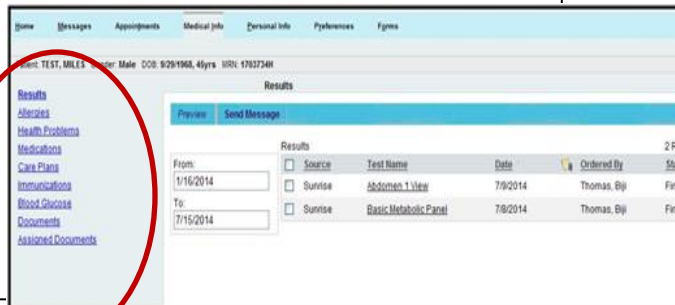

COMPLETE YOUR PROFILE

SETTING UP YOUR ACCOUNT IS EASY!

- Stop by **Patient Access Registrar** to provide your **personal email address**
- Go to www.numc.edu to register for your account
- Enter your **Email, Name, Date of Birth**

**YOU CAN NOW ACCESS YOUR
ELECTRONIC MEDICAL RECORD
FROM HOME**

What is the Patient Portal?

Patient Portals are healthcare-related online applications that allow patients to access their medical information. Typically, portal services are available on the Internet at all hours of the day and night.

- You can view:
 - Home medications,
 - Health issues,
 - Allergies, Labs
 - Clinical documents (Discharge instructions, Clinic notes etc...)
 - Immunizations
 - Email your Doctor
