NASSAU HEALTH CARE CORPORATION
a/k/a the NuHealth System Request for Proposals for

Inpatient Coding Services Facility - RFP 2015-023
Q & A

1. Can an offshore location be used for providing these services?

   No, NuHealth is seeking domestic coding only at this time.

2. Will training be provided by NuHealth?

   Yes training will be provided on our systems for 2 to 3 days.

3. What if any, certifications are required by the Coders?

   Certifications are preferred, however experience is always considered as well.

4. What is the estimated volume of work?

   This number will fluctuate.
