NUMC Formal Sealed Bid Proposal # MC98-04212-5347

Xpert Xpress cov-2/FLU/RSVPLUS

See RFI responses below in red:

1. What is the estimated order quantity per time and per year?
Quantity per PO (3-month supply) = 480 boxes, 2,080 boxes a year (10 tests in each box)
2. Is the payment terms Net90? **See Page 2 of Bid**
If no discount is shown, payment terms will be NET 90
3. It says MWBE: 20%. Does that mean you will give priority to a MWBE vendor?
Please see Article 15-A of NYS Executive Law
4. Would an alternative product and analyzer be acceptable? Or are you only requesting tests to be used with the Cepheid XPert Lab Testing Machine?
It has to be Xpert Xpress because the Cepheid instrument that we purchased is specific to it only.
