Department of Psychiatry & Behavioral Sciences

Presents

“Attachment and Borderline Personality Organization: Developmental Factors and Implications for Psychotherapy”

By

Laura Lamontanaro, Psy.D.
Nassau University Medical Center
Department of Psychiatry

On

Wednesday, April 10th, 2024
1:00 p.m. – 2:30 p.m.

In

Amphitheater

Learning objectives:

1. *To introduce the view of self as developing and emerging through intersubjectivity.*
2. *To build awareness of empirical psychoanalytic research in attachment and developmental psychology*
3. *To trace the evolution of Peter Fonagy et al's concept of mentalization, which is key to understanding severe self-pathologies*
4. *To increase awareness of modifications in psychotherapeutic approaches that are effective with the severely character disordered patient.*

Target audience: Physicians, Fellows, Residents, PA's, NP's, Pharmacists, Medical Students and all other personnel involved in patient care.

CME Accreditation: NUMC is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

Credit Designation: NUMC designates this *Live Activity* for a maximum of 1.5 AMA PRA Category 1 Credits TM.

Disclosure Policy: NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACGME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the CME content or may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

Planner and Speaker's Disclosures: “The planner(s) and presenter(s) do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.”

Funding: No commercial funding has been accepted for the activity.
