### **Objectives:**

- Define cisgender, transgender, binary and nonbinary identities..
- Identify 4-5 at-risk situations faced by transgender youth.
- Discuss protective factors to help keep transgender youth safe and the role of the pediatrician.

Nassau University Medical Center (NUMC) is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NUMC designates this (Live Activity) for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACGME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the a real or CME content may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

No commercial funding has been accepted for this activity.
