Question: Regarding further clarification for delivery of the product; exact location(s) the product is to be delivered to. Page 46 of the bid references additional locations such as A. Holly Patterson Extended Care Facility and NHCC's Community Health Centers. Please clarify if NUMC is the only location pertaining to this bid, if not please provide delivery info regarding the other facilities.

Answer: *Although our A. Holly Patterson Extended Care Facility and NHCC's Community Health Centers may wish to participate in the future, at this time only our NUMC facility in East Meadow will be serviced under the contract. If additional locations were to be added, the contract would be amended with location specific specifications and pricing.*
