2016 Student Volunteer Application

Welcome to the Nassau University Medical Center (NUMC) Thank you for your interest in volunteer service. We feel that before you formally agree to volunteer at NUMC you should understand what is expected of you. Please consider this information as a basic guide to the commitment and expectations of all volunteers. More information is outlined in the Volunteer Orientation Manual.

1. As an NUMC Volunteer, one agrees to abide by the following and to accept and perform their volunteer duties following confidentiality guidelines as well as all mandatory HIPAA rules and regulations.
2. Volunteers must attend a training session before they begin volunteering. Trainings are offered periodically and include, but are not limited to, information on infection control, HIPAA regulations, etc... These sessions must be completed yearly should you decide to stay on after your yearly service has completed.
3. Information regarding diagnosis and/or treatment of any patient receiving services from NUMC, whether inpatient or outpatient, should not be discussed or repeated. Searching for or disclosing any information found on patients' charts will be considered a breach of confidentiality.
4. Volunteers may not disclose the fact that a patient is or is not receiving services as a patient or an outpatient. If a person wishes for their neighbors, religious community, employers, or fellow employers to know they have been hospitalized or undergoing treatment, they must inform such persons themselves. Any disclosure of patient's status will be considered a breach in confidentiality.
5. Volunteers may not disclose information regarding financial status of any person who is a patient at or receiving treatment from NUMC. Searching for, or disclosing financial information about any patient, will be considered a breach in confidentiality.
6. If necessary, more intensive training will be provided by the department in which the volunteers will be working in.
7. Volunteers must punch in at the beginning of their shift and punch out at the end at the designated time clock.
8. Volunteers are expected to be dressed appropriately with their assigned uniforms and ID badges. Neatness, hygiene and professionalism are of the utmost importance. Jeans, shorts, leggings, open-toed shoes and other inappropriate attire are not permitted.
9. NUMC reserves the right to discontinue any volunteer to any particular department at any time if it is felt that your skills and ability would be better suited for a different volunteer opportunity. NUMC also reserves the right to discontinue participation in the volunteer program at any time. As a volunteer, one can be terminated for breach of confidentiality, failure to obey hospital rules and regulations, and for actions that are deemed not in the best interests of the hospital.
- 10. After the completion of orientation all volunteers will be expected to make at least a 60 hour commitment over the period at least five weeks.**
11. It is our understanding in the NUMC Volunteer Department that volunteers often have busy schedules, but we do ask that if one should commit to any of our opportunities that they contact the Director of Therapeutic Recreation & Volunteer Services as soon as possible if they will be unable to attend or meet that commitment. Our volunteer's dependability, reliability and follow through are of the utmost importance.
12. All volunteers are asked to conduct themselves in a punctual, conscientious way, with dignity and respect for all patients, staff, visitors and people within the hospital and its grounds.
13. Volunteers are asked to abide by policies, procedures, supervision and directions of the Volunteer Services Department which includes all placements, schedules, assignments and responsibilities, etc...
14. Volunteers may not at any time participate in observation of clinical services; including but not limited to, direct patient care. A shadowing program is not offered through this office.
15. Volunteers at all times must uphold the standard, ethics and mission statement of the Nassau University Medical Center.
16. Volunteers are expected to attend any scheduled NUMC Volunteer Service meeting(s).
17. Volunteers must attend annual in-service trainings on "mandatory" topics as outlined in the Volunteer Orientation Program

Manual.

18. Annually, all volunteers must receive a mandatory tuberculin skin test, at no cost through the Employee Health Center or from their own physician.

19. All volunteers are expected and asked to maintain open communication with the Volunteer Services Department.

20. Volunteers must return their ID badge upon completion of their volunteer services.

21. There is a \$10 charge for the mandatory volunteer uniform and it must be worn when inside the hospital during scheduled volunteer hours.

22. As a volunteer one is expected to uphold the NHCC values at all times.

23. It is the policy of NuHealth to maintain an environment that insures equality of opportunity for all, where everyone is treated with respect and dignity and that is free from all forms of discrimination or harassment by anyone, including supervisors, patients, co-workers, students, volunteers, vendors or contractors. NuHealth will not tolerate unlawful discrimination, including harassment, based on a person's race, color, religion, gender, sexual orientation, gender identity, marital or military status, age, national origin, genetic predisposition, and disability, status as victim of domestic violence or any other protected status.
