SCHEDULE A

DESCRIPTION OF SERVICES SOUGHT

Please read the full text of the Request for Proposals to which this Schedule is attached for important information concerning the terms of this Request for Proposals and additional required information.

1. Introduction/Background

Nassau Health Care Corporation (“NHCC”), also known as the NuHealth System, is a New York State public benefit corporation created by the New York State Public Authorities Law. NHCC operates Nassau University Medical Center, a 530-bed tertiary care teaching hospital (“NUMC”) and the A. Holly Patterson Extended Care Facility (“AHP”), a 589-bed skilled nursing facility. Additionally, NHCC co-operates various Community Health Practices in partnership with Long Island FQHC, Inc., a non-profit, consumer-driven organization created to help address the health needs of the region’s most vulnerable populations. NHCC is affiliated with Northwell Health (formerly known as the North Shore-Long Island Jewish Health System) and the Health Sciences Center of the State University of New York at Stony Brook and maintains a strong commitment to the education of healthcare providers.

NUMC has been the primary source of medical care for millions of Nassau County residents since 1935. With its 19-story main tower, NUMC is Nassau County's tallest building and a familiar Long Island landmark. As the region's premier Level I trauma center, NUMC treats many of the County’s most critically injured patients, and has long carried the responsibility of being the region’s “safety net” hospital. Additionally, NUMC maintains a strong commitment to medical education. NHCC is academically affiliated with the Northwell Health, the Health Sciences Center of the State University of New York at Stony Brook, the New York Institute of Technology College of Osteopathic Medicine, the New York College of Podiatric Medicine, and the American University of the Caribbean School of Medicine.

AHP is recognized nationally as a model for skilled nursing facilities. AHP offers innovative care in an environment that treats the 'whole' person. The skilled and caring medical staff responds to the physical, social and emotional needs of each resident.

NHCC’s Community Health Practices are bringing a new kind of care to the communities that need it most. It is the goal of NHCC to see that every Long Islander has a “medical home” - a place where people you know provide the kind of primary and preventative care that safeguards the health of you and your family.

2. Scope of Services

The Scope of Services (“Scope”) outlined below has been established for the purpose of achieving and implementing program goals and objectives described in this document. Although the Scope is intended to serve as a reference in the preparation of the proposal, forthcoming proposals may offer additional services which support the goals of this RFP.

NHCC seeks to hire qualified entities to provide a broad array of billing and collection services to support the collection of accounts receivable.

Each proposer must complete the forms which appear at pages 11 and 12 of this RFP. The completed forms (or the same information in the IDENTICAL format) must appear at the front of all proposals.

A. SERVICE LINES’ DESCRIPTIONS

Service 1. Day One Billing of Inpatient and Outpatient Self-Pay Accounts:

The successful vendor(s) will receive all inpatient and outpatient self-pay accounts within thirty (30) days of the account being classified “self-pay.” The vendor shall send a minimum of four bills/data mailers (the format of which must be approved by NHCC) on each account, regardless of balance, and shall initiate a minimum of two telephone attempts on each account regardless of balance; if a patient accounts balance meets high balance criteria (high balance criteria to be provided by NHCC) additional weekly telephone calls will be required. All attempts will be documented, including attempts to find new addresses for returned mailers. All contacts, both written and oral shall be in the name of NHCC. The cost of printing, mailing and initiating/receiving telephone contacts shall be borne by the vendor(s). Bills/data mailers shall instruct the patient/responsible party to call a toll-free number managed by the vendor. Vendor(s) shall assign an appropriate level of staff to provide quality customer service on all calls.

Preference shall be given to vendors who have the ability to record and maintain all patient telephone contacts for a minimum of thirty (30) days. Vendor(s) shall provide no less than two (2) on-site staff at NUMC to address “walk-ins” seeking information on bills and to process Financial Assistance applications for all uninsured/underinsured patients requesting access to NHCC’s Patient Financial Assistance Program, which includes charity care applications. Vendor shall be provided remote access to NHCC’s billing system and shall be responsible for providing NHCC any third-party insurance information that may be uncovered by them when communicating with a patient and any demographic changes for the patient. Other than accounts pending an insurance payment or accounts in an active payment arrangement, all accounts must be resolved or returned to NuHealth within ninety (90) days of the date of initial placement.

Vendor shall be provided remote access to NHCC's billing system and shall be responsible for electronically updating notes to NHCC's system with dates of mailing and phone calls, as well as any billing information obtained by vendor. The vendor will be required to complete 270/271 transactions on all accounts.

Service 2. Medicaid Eligibility Assistance (NUMC and/or AHP):

The successful vendor(s) shall assist NHCC (NUMC and AHP) in obtaining Medicaid coverage for patients residing in and outside of Nassau County, and for patients residing outside of New York. The vendor shall assist the patient/applicant in preparing and documenting his/her Medicaid application. Field work is expected. In certain cases, accounts will be referred to the vendor while the patient is still in-house, potentially requiring a bedside interview. In other cases, accounts will be referred within twenty-one (21) days of admission. Referred accounts must be completed within thirty (30) days of referral unless this time period is extended by NHCC. All Medicaid applications must be entered into the tracking system used by NHCC to track submitted Medicaid applications. The vendor shall be responsible for following up on all Medicaid applications it has completed and submitted. All work must be completed in accordance with current laws and regulations. The vendor must employ New York State certified healthcare exchange counselors.

Vendor(s) shall be provided remote access to NHCC's billing systems and shall be responsible for electronically updating notes to NHCC's systems with dates of mailing and phone calls, as well as any billing information obtained by Vendor.

Service 3. Third-Party Follow-up Inpatient and Outpatient Accounts:

The successful vendor(s) shall receive billed, but unpaid, insurance accounts (other than Workers' Compensation and No-Fault ;) that have aged to ninety (90) days without resolution. Vendor shall be responsible for follow-up with the patient's insurance carrier(s) to determine the cause for non-payment. Once ascertained, the vendor shall take appropriate corrective action, including rebilling, to ensure a positive resolution to the account (ensuring correct payment). NHCC's billing system is to be updated to ensure that all accounts are properly updated with correct demographic and third-party insurance information. Appropriate notes are to be entered into the Eagle billing system. Vendor will report issues by payor and may be asked to participate in NHCC joint operating committees. Vendor shall return all unresolved accounts within 120 days of referral. When returning accounts, the vendor shall categorize all returns as either a patient responsibility or a write-off (with the reason for this determination), to be done electronically.

Vendor will be provided remote access to NHCC's billing system and will be responsible for electronically updating notes to NHCC's system with dates of mailing and phone calls, as well as any billing information obtained by Vendor.

Service 4. Third-Party Follow-up A. Holly Patterson:

The successful vendor(s) will receive billed, but unpaid, insurance accounts that have aged to ninety (90) days without resolution. Vendor will be responsible for following-up with the patient's insurance carrier(s) to determine the cause for non-payment. Once ascertained, the vendor will take the appropriate corrective action, including rebilling, to ensure a positive resolution to the account (ensuring correct payment). ANP's billing system is to be updated to ensure that all accounts are properly updated with correct demographic and third-party insurance information. Appropriate notes are to be entered into the Eagle billing system. Vendor will report issues by payor and may be asked to participate in NuHealth joint operating committees. 3. NHCC reserves the right to recall any account, at any time, provided the reason for the recall is unrelated to payment.

4. Vendor must conduct all collection activity in a manner that is intended to promote positive public relations between NHCC and the community it serves. Collections must be handled in accordance with all applicable federal, state and local laws, rules and regulations relating to debt collection. All written communications used by the vendor must be pre-approved by NHCC and copies of all such communications must be on file with NHCC.

Vendor commits to maintain complete files and records for each account.

8. Vendor agrees to respond to specific account inquiries made by NHCC or its patients within two working days.

9. NHCC reserves the right to require vendor to suspend action either temporarily or permanently on any account, regardless of its current status with vendor or any approved agent engaged by vendor.

10. Vendor will take appropriate steps to skip trace patients who may have relocated or failed to provide NHCC with a correct address. Vendor shall perform income/asset searches to determine the ability of patients to pay their bills. When a new address is verified, vendor shall provide that information to NHCC.

11. In the event a patient alleges or threatens a claim for malpractice or improper treatment, vendor shall suspend all collection activity and immediately notify NHCC in further notice.

12. Vendor shall not settle or compromise any NHCC debt without first obtaining written approval; nor will any legal action be instituted on any account without prior written approval by NHCC.

13. Vendor agrees that it shall neither give nor sell credit information obtained from accounts received from NHCC, and vendor further agrees not to use NHCC data in any manner except as authorized by NHCC. Vendor shall not report any information regarding NHCC patients/responsible parties to any credit reporting agency without prior written approval from NHCC.

14. Vendor agrees that it shall, at all times, perform its work as an independent contractor and shall not, in any manner whatsoever, by its actions or deeds, commit NHCC to any obligation irrespective of the nature thereof. Vendor shall not, at any time, or for any purpose, be deemed an employee of NHCC.

15. Vendor understands that NHCC may select one of more entities to meet its needs pursuant to this Request for Proposal. NHCC reserves the right to select those vendors that it determines best meet its needs. In reaching this conclusion, which will be final and binding on all proposers, NHCC shall assess the quality of the vendor's response, comments received from references, nature and extent of vendor's technology, vendor's business practices and reputation, and vendor's cost to NHCC.

To protect any portion of responses that constitutes technical, financial or other data whose public disclosure would cause substantial injury to a Proposer’s competitive position, or would constitute disclosure of a trade secret, a Proposer must designate any sections of its proposal that meet those criteria. NHCC assumes no responsibility for disclosure of unmarked data for any purpose. NHCC will review such designations in making its determination whether disclosure is required, which determination shall be binding on the Proposer.

IV. Anti-discrimination and MWBE Participation

It is the policy of NHCC to comply with all federal, state and local laws, policies, orders, rules and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, sexual orientation, age, disability, or marital status, and to take affirmative action in working with contracting parties to ensure that Minority and Women-owned Business Enterprises (MWBEs), Minority Group Members and women share in the economic opportunities generated by NHCC’s participation in projects or initiatives, and/or use of NHCC funds. Pursuant to New York State Executive Law Article 15-A, NHCC recognizes its obligations under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises (M/WBEs) and the employment of minority group members and women in the performance of NHCC contracts.

The selected contractor shall be required to use good faith efforts to achieve the participation of certified MWBE's as specified in this RFP or Bid, and if no participation goal is explicitly specified, participation amounting to 20% of the total value of the fees received by the contractor shall be the goal. As part of their proposal, respondents are required to include a completed MWBE Utilization Plan (the "Plan") using the form attached in Appendix I as part of their proposal. Respondents should endeavor to utilize MWBEs as subcontractors, subconsultants, suppliers, and/or enter into joint venture or teaming agreements with M/WBEs in order to comply with the MWBE utilization goals. In the event that a respondent is a certified MWBE the respondent should list itself in the Plan as performing 100% of the contract work and is not required to subcontract with other MWBE firms.

V. Procurement Law Requirements

State Finance Law §§ 139-j and 139-k (collectively, the "Procurement Requirements") apply to this RFP. The Procurement Requirements (1) govern permissible communications between potential respondents and NHCC with respect to this RFP during the procurement process; and (2) establish sanctions for knowing and willful violations of the provisions of the Procurement Requirements, including disqualification from eligibility for an award of any contract pursuant to this solicitation.

Compliance with the Procurement Requirements requires that (a) all communications regarding this RFP, from the issuance of this RFP through final award and approval of any resulting contract (the "Restricted Period"), be conducted only with the contact person(s) listed; (b) the completion by respondents of the Disclosure of Prior Non-Responsibility Determinations and the Affirmation of Understanding of and Agreement pursuant to State Finance Law, copies of which are attached to this RFP as attachments to Appendix I, and (c) periodic updating of such forms during the terms of any contract resulting from this RFP. Respondents must submit both of these forms, properly completed, as part of their proposals. The Procurement Requirements also require NHCC employees to obtain and report certain information when contacted by prospective bidders during the Restricted Period, make a determination of the responsibility of bidders and make all such information publicly available in accordance with applicable law. If a prospective bidder is found to have knowingly and willfully violated the State Finance Law provisions, that prospective bidder and its subsidiaries, related or successor entities will be determined to be a non-responsible bidder and will not be awarded any contract issued pursuant to this RFP.

More information about State Finance Law Sections 139-j and 139-k can be found at http://www.ogs.ny.gov/aboutOgs/regulations/defaultSFL_139j-k.asp.

All potential Respondents are solely responsible for full compliance with the Procurement Requirements.

VI. Selection Criteria

Proposals from responsible parties will be reviewed and evaluated from the point of view of cost, qualifications, references and other appropriate factors relevant to: (i) the Proposer's ability to provide the services; (ii) the anticipated quality of the services to be provided; and (iii) financial and other benefits to NHCC.

VII. Terms and Conditions

A. This RFP constitutes an invitation to make proposals to NHCC. Accordingly, this RFP does not commit NHCC to award a contract, or to procure, or to contract for services or supplies. Notwithstanding any other provisions of this RFP, NHCC reserves the right to award this contract to the vendor(s) that best meet the requirements of the RFP, and not necessarily to the lowest proposer. NHCC reserves the right to accept or reject any or all proposals received as a result of this request; to negotiate with all qualified sources; or to cancel in part or in its entirety this RFP if it is in the interests of NHCC to so do. NHCC reserves and, in its sole discretion, may exercise any or all of the following rights and options with respect to this RFP, any proposals and any related agreements, without incurring any liability to Proposers:

1. NHCC reserves the right to disqualify any and all proposals that fail to meet the requirements specified in this RFP.
2. NHCC reserves the right to determine whether to interview some or all of the Proposers, and to conduct such interviews privately.
3. NHCC reserves the right to select and enter into a contract with the Proposer whose proposal best satisfies NHCC's overall interests.
4. Because this RFP is not a "competitive bid" process, the Proposer submitting the lowest cost proposal, or the proposal projecting the greatest financial benefit to NHCC, may not necessarily be selected. NHCC instead reserves the right to select the proposal it believes to be most beneficial to NHCC, with financial terms not being the sole determinative factor. NHCC's decision-making and selection process will be discretionary and will be based on a variety of factors. By submission of its proposal, each Proposer expressly understands, acknowledges and accepts that this is not a "competitive bid" process, and that NHCC is under no obligation to award a contract through competitive bidding, or at all.
5. NHCC reserves the right to waive or extend deadlines.

6. NHCC reserves the right to accept proposals in whole or part.
 7. NHCC reserves the right to conduct investigations with respect to the qualifications of each Proposer, to make field investigations with respect to such proposals (including visits to the Proposer's business offices or field operations).
 8. NHCC reserves the right to request additional information from any Proposer and to rely upon any information obtained through NHCC's own investigations.
 9. NHCC reserves the right to cancel this RFP at any time whatsoever, with or without the substitution of another RFP.
 10. NHCC reserves the right to supplement, amend or otherwise modify this RFP.
 11. NHCC reserves the right to issue additional or subsequent RFPs with regard to the subject matter of this RFP.

The contract, if any that is negotiated with a selected Proposer shall constitute the entire agreement between NHCC and the selected Proposer, and shall set forth all the terms and conditions applicable to the subject matter of this RFP. In the event of a conflict between this RFP and that contract, that contract shall control.

- E. No Proposer who has submitted a proposal to NHCC shall have the right to assign its submitted proposal to a third party or the right to enter into an agreement with third parties to perform the services on Proposer's behalf without the prior written consent of NHCC, which consent may be withheld in NHCC's sole discretion.
