1. **Description of Services Sought**

   The Nassau Health Care Corporation ("NHCC") is seeking proposals from qualified entities to provide contracted pharmacy services to dispense prescription drugs on behalf of NHCC pursuant to the Public Health Service Section 340B Drug Pricing Program. Proposals should include dispensing prescription drugs on-site at the Nassau University Medical Center as well as through the Proposer’s locations.

Proposers should provide detailed information about the cost, timeliness and financial outcomes on a range of prior projects. NHCC will be particularly interested in proposals in which the proposed compensation is based on performance and positive results from implementation of the Proposer’s recommendations.
I. Introduction

The Nassau Health Care Corporation (“NHCC”), a New York State public benefit corporation created by the Public Authorities Law of the State of New York, is a 1,120-bed health care system. NHCC is affiliated with the North Shore-Long Island Jewish Health System and the Health Sciences Center of the State University of New York at Stony Brook and maintains a strong commitment to the education of healthcare providers. NHCC has a proud tradition of service and caring to the people of Long Island, and particularly the Nassau County community. Today, its staff of over 3300 treats more than 72,000 persons annually in its Emergency Department, 23,000 in-patients, and performs 2,000 deliveries. In addition, NHCC handles approximately 70,000 out-patient visits in its Community Health Centers and more than 200,000 out-patient visits in over 85 specialized ambulatory care clinics.

NHCC is requesting proposals for the services described in Schedule A of this Request for Proposals (“RFP”). The deadline for submission of Proposals is set forth in Schedule A. Proposals shall be prepared and submitted as outlined below; proposals that do not conform to these requirements may be disqualified.

II. Process To Be Followed

This RFP is available to interested parties through the NHCC office designated in Schedule A. It may also be downloaded by clicking on the “Procurement” link found on the NHCC website at www.numc.edu. 14. NHCC reserves the right to request new or revised proposals, including monetary terms from any Proposer at any time.

B. Preparation of a response to this RFP will be at the cost, expense and risk of the Proposer, with the express understanding and agreement of the Proposer, irrespective of whether it is selected, that it waives all claims whatsoever for reimbursement from NHCC for any cost or expense incurred in the preparation of its proposal and any subsequent contract negotiation.

C. Each and every submitting Proposer expressly understands and agrees that this RFP is not, and shall not be construed as, an offer or an enforceable contract.

D. The contract, if any that is negotiated with a selected Proposer, shall constitute the entire agreement between NHCC and the selected Proposer, and shall set forth all the terms and conditions applicable to the subject matter of this RFP. In the event of a conflict between this RFP and that contract, that contract shall control.
E. No Proposer who has submitted a proposal to NHCC shall have the right to assign its submitted proposal to a third party or the right to enter into an agreement with third parties to perform the services on Proposer’s behalf without the prior written consent of NHCC, which consent may be withheld in NHCC's sole discretion.

The proposal shall also provide the name, title, address, and telephone number of the individual(s) with authority to negotiate and contractually bind the company, and who also may be contacted during the period of contract.

H. Proposals submitted become the property of NHCC. By submitting a proposal, the Firm agrees not to make any claims for or have any right to damages because of any misunderstanding, misrepresentation or lack of information.

I. Ownership of Work Product - Ownership of any work developed under this order, and all right title and interest therein shall vest in NHCC. This includes any and all data sets and computer programs created for this analysis including any enhancements to existing data sets provided by NHCC. This includes any and all work materials, draft plans, preliminary analyses, and all other work materials created by the contractor for this contract.
