SCHEDULE A
DESCRIPTION OF SERVICES SOUGHT AND ADDITIONAL CRITERIA

Please read the full text of the Request for Proposals to which this Schedule is attached for important information concerning the terms of this Request for Proposals and additional required information.

1. Introduction/Background

The Nassau Health Care Corporation (“NHCC”, or the “Corporation”), a New York State public benefit corporation created by the Public Authorities Law of the State of New York, is a 1,200 bed health care system. NHCC operates the Nassau University Medical Center, a 631-bed tertiary care teaching hospital (“NUMC”); the A. Holly Patterson Extended Care Facility, an 589-bed skilled nursing facility; and six Diagnostic and Treatment Centers (the “Community Health Centers” or “CHCs”). NHCC is affiliated with the North Shore-Long Island Jewish Health System and the Health Sciences Center of the State University of New York at Stony Brook and maintains a strong commitment to the education of healthcare providers. NHCC has a proud tradition of service and caring to the people of Long Island, and particularly the Nassau County community. Today, its staff of over 3,300 treats more than 72,000 persons annually in its Emergency Department, 23,000 in-patients, 2,000 deliveries, and more than 200,000 patient visits in over 85 specialized clinics.

NUMC is a disproportionate share hospital as that term is defined in Section 1886(d)(1)(B) of the Social Security Act. NUMC is also a public benefit corporation that is an agency of New York State. In addition, in its most recent cost reporting period NUMC’s disproportionate share adjustment percentage was greater than 11.75%. And NUMC does not obtain covered outpatient drugs through a group purchasing organization or other group purchasing arrangement. As such, NUMC is eligible to participate in the federal Public Health Service Section 340B Drug Pricing Program (the “340B Program”). This RFP is related to NUMC’s desires to participate in the 340B Program.

Additionally, the Corporation is currently in the process of converting its six CHCs to Federally Qualified Health Centers (“FQHCs”). It is anticipated that once the CHCs are so converted, the Corporation will seek to have its FQHCs benefit from the 340B Program as well. This RFP is related to the Corporation’s desire to have its future FQHCs benefit from the 340B Program as well.

2. Scope of Services

This Request for Proposal is for 340B counsel to provide legal services related to NUMC’s desire to participate in the 340B Program. Nassau Health Care Corporation expects that their 340B counsel will:
a) Provide counsel services in connection with NUMC’s entering into and continued participation in the 340B Program;

b) Participation in the negotiation and drafting of agreements with 340B Program contract pharmacy;

c) Advice to and consultation with representatives of the Corporation concerning NUMC’s compliance with the 340B Program; and

d) Assistance to the corporation in the preparation of official statements, reports, or other documents relative to the 340 Program.

Compliance with the Procurement Requirements requires that (a) all communications regarding this RFP, from the issuance of this RFP through final award and approval of any resulting contract (the “Restricted Period”), be conducted only with the contact person(s) listed below; (b) the completion by respondents of the Offerer Disclosure of Prior Non-Responsibility Determinations and the Offerer’s Affirmation of Understanding of and Agreement pursuant to State Finance Law, copies of which are attached to this RFP as attachments to Appendix A, and (c) periodic updating of such forms during the term of any contract resulting from this RFP. Respondents must submit both of these forms, properly completed, as part of their proposals. The Procurement Requirements also require NHCC employees to obtain and report certain information when contacted by prospective bidders during the Restricted Period, make a determination of the responsibility of bidders and make all such information publicly available in accordance with applicable law. If a prospective bidder is found to have knowingly and willfully violated the State Finance Law provisions, that prospective bidder and its subsidiaries, related or successor entities will be determined to be a non-responsible bidder and will not be awarded any contract issued pursuant to this RFP.

1. NHCC reserves the right to disqualify any and all proposals that fail to meet the requirements specified in this RFP.

3. NHCC reserves the right to select and enter into a contract with the Firm whose proposal best satisfies NHCC’s overall interests.

4. Because this RFP is not a “competitive bid” process, the Firm submitting the lowest cost proposal, or the proposal projecting the greatest financial benefit to NHCC, may not necessarily be selected. NHCC instead reserves the right to select the proposal it believes to be most beneficial to NHCC, with financial terms not being the sole determinative factor. NHCC’s decision-making and selection process will be discretionary and will be based on a variety of factors. By submission of its proposal, each Firm expressly understands, acknowledges and accepts that this is not a “competitive bid” process, and that NHCC is under no obligation to award a contract through competitive bidding, or at all.
5. NHCC reserves the right to waive or extend deadlines.

6. NHCC reserves the right to accept proposals in whole or part.

7. NHCC reserves the right to conduct investigations with respect to the qualifications of each Firm, to make field investigations with respect to such proposals (including visits to the Firm’s business offices or field operations).

8. NHCC reserves the right to request additional information from any Firm and to rely upon any information obtained through NHCC’s own investigations.

9. NHCC reserves the right to cancel this RFP at any time whatsoever, with or without the substitution of another RFP.

10. NHCC reserves the right to supplement, amend or otherwise modify this RFP.

13. NHCC reserves the right to discontinue negotiations at any time and in NHCC’s sole discretion.

14. NHCC reserves the right to request new or revised proposals, including monetary terms from any Firm at any time.

B. Preparation of a response to this RFP will be at the cost, expense and risk of the Firm, with the express understanding and agreement of the Firm, irrespective of whether it is selected, that it waives all claims whatsoever for reimbursement from NHCC for any cost or expense incurred in the preparation of its proposal and any subsequent contract negotiation.

C. Each and every submitting Firm expressly understands and agrees that this RFP is not, and shall not be construed as, an offer or an enforceable contract.

D. The contract, if any, is negotiated with a selected Firm shall constitute the entire agreement between NHCC and the selected Firm, and shall set forth all the terms and conditions applicable to the subject matter of this RFP. In the event of a conflict between this RFP and that contract, that contract shall control.

E. No Firm who has submitted a proposal to NHCC shall have the right to assign its submitted proposal to a third party or the right to enter into an agreement with
third parties to perform the services on Firm’s behalf without the prior written consent of NHCC, which consent may be withheld in NHCC's sole discretion.

F. This proposal shall be signed by an official authorized to bind the Firm, and shall contain a statement to the effect that the proposal is a Firm offer for a one hundred and eighty (180) day (or more) period. The proposal shall also provide the name, title, address, and telephone number of the individual(s) with authority to negotiate and contractually bind the company, and who also may be contacted during the period of contract.

G. Proposals submitted become the property of NHCC. By submitting a proposal, the Firm agrees not to make any claims for or have any right to damages because of any misunderstanding, misrepresentation or lack of information.

H. This RFP shall be construed in accordance with and governed by the laws of the State of New York, without regard to conflicts of law principles. All actions or proceedings relating, directly or indirectly, to this RFP shall be litigated only in courts located within Nassau County or in the United States District Court for the Eastern District of New York. Each Firm (by virtue of the submission of its proposal), submits itself, its successors and/or assigns (if any) to the personal jurisdiction of such court, and waives any right to trial by jury.

Under New York State Finance Law § 139-k (2), covered governmental entities are obligated to obtain specific information regarding prior non-responsibility determinations. In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by a Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity.
