Presents

“Psychedelic Assisted Therapy: Potential, Possibility and Peril”

By

Robert Barris, MD

Nassau University Medical Center
Department of Psychiatry

On

Wednesday, May 8th, 2024

1:00 p.m. – 2:30 p.m.

In

Amphitheater

Learning objectives:

1. Understanding ways in which psychedelic assisted therapy can prove to be potentially transformative
2. Exploring the biological and neurological underpinnings of this modality
3. Awareness of some of the possible societal risks and perils in the implementation of this modality

Target audience: Physicians, Fellows, Residents, PA’s, NP’s, Pharmacists, Medical Students and all other personnel involved in patient care.

CME Accreditation: NUMC is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

Credit Designation: NUMC designates this *Live Activity* for a maximum of 1.5 AMA PRA Category 1 Credits TM.

Disclosure Policy: NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACCME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the CME content or may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

Planner and Speaker’s Disclosures: “The planner(s) and presenter(s) do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.”

Funding: No commercial funding has been accepted for the activity.
