Presents

“A Journey through Interventional Psychiatry: Unraveling the World of Neuromodulation”

By

Sivaranjani Ayyanar, M.B.B.S. – Administrative Chief, PGY IV

Dr. Bogdan Sasaran, Mentor
Nassau University Medical Center
Department of Psychiatry

On

Wednesday, January 17th, 2024

1:00 p.m. – 2:30 p.m.

In

Amphitheater

Learning objectives:

1. *Understand the Principles of Neuromodulation.*
2. *Review Neuromodulation Techniques including emerging technologies and future directions.*
3. *Examine Indications and Contraindications efficacy and safety profiles of various neuromodulation interventions.*
4. *Address ethical considerations related to neuromodulation, including patient autonomy, safety, and the role of advocacy in mental health care.*

Target audience: Physicians, Fellows, Residents, PA's, NP's, Pharmacists, Medical Students and all other personnel involved in patient care.

CME Accreditation: NUMC is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

Credit Designation: NUMC designates this *Live Activity* for a maximum of 1.5 AMA PRA Category 1 Credits TM.

Disclosure Policy: NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACGME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the CME content or may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

Planner and Speaker's Disclosures: “The planner(s) and presenter(s) do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.”

Funding: No commercial funding has been accepted for the activity.
