

# **Speak Up**<sup>™</sup> For Your Rights

### As a patient, you have the right to ...

- · Be informed about your care.
- · Make decisions about your care.
- Refuse care.
- Know the names of your caregivers.
- Be treated with courtesy and respect.
- · Be listened to by your caregivers.
- · Have an interpreter.
- · Receive information in a way that meets your needs, such as if you have impaired vision.
- Religious or spiritual services.
- Copies of your test results and medical records.
- Have a patient advocate with you during your care.
- · Privacy of your health information.
- · Ask that pictures or videos taken of you be used only to identify you or assist in your care.
- · Care that is free from discrimination.

#### Be active in your care ...

- · Ask questions.
- Pay attention to instructions from your caregivers.
- Inform caregivers about your medicines, supplements and allergies.
- Share your wishes about life-saving actions, such as being put on a ventilator.

## Your advocate can help ...

- · Get information and ask questions when you cannot.
- · Ask for help if you are not getting the care you need.
- · Make care decisions when you cannot (so long as he or she is a legal guardian, a health care power of attorney, or has some other legal permission).

# If you think something is wrong ...

- · Ask to speak to a patient representative.
- · Work with the facility or health system to address the issue.
- File a complaint with the state agency that licenses or certifies the facility.
- Report a patient safety event to The Joint Commission.

The goal of Speak Up™ is to help patients and their advocates become active in their care.
