NASSAU HEALTH CARE CORPORATION
Nassau University Medical Center
Department of Radiology

RFP 2016-025

October 6, 2016

Question answers bidding purposes

TELERADIOLOGY

Volume assumptions per year based upon hours of coverage from 8:00 pm to 8:00 am

1. Cat Scan 10,000 studies
2. MRI 100 studies
3. Diagnostic Radiology 8,000 studies

Vendor must provide an interface to Sunquest Radiology (RIS). Sunquest will send report data to E-Link, and through E-Link, connect to downstream hospital systems (HIS, FIS, etc) where reports should be accessible.
