

RFP 2017-012 Continuous Survey Readiness
Vendor Request for Information

Request for Information	Response
RFP for years? RFP for NUMC only? RFP for A. Holly Patterson, LTC?	Length of any contract is to be determined. RFP is for Nassau University Medical Center only, our LTC A. Holly Patterson is not surveyed under TJC.
Are the Fees to cover only NUMC (HAP and BHC)	Yes
Please clarify/confirm that NUMC is the only NHCC facility to be included in the services provided; AHP and the Community Health Practices are not included?	Confirmed, but see next question for one remote site.
Are all services located within the NUMC 19-story main tower and attached buildings, or are there additional remote sites under the accreditation certificate of the hospital and to be included in the scope of this proposal, e.g., outpatient surgical or endoscopy facilities, diagnostic imaging centers, rehab therapies, etc.? If so, please list the remote sites eligible for survey by TJC and their addresses.	One remote site is Chronic Dialysis, surveyed under the Hospital Accreditation Program, located about 6 miles away at our LTC A. Holly Patterson facility.
Can a list be provided of all sites where deep or moderate sedation is in use?	Yes, upon award of contract.
Can a list of all sites where high-level disinfection and sterilization are in use be provided?	Yes, upon award of contract.
Can a list of departments/units/areas/programs/services within the accredited organization be provided?	Yes, upon award of contract.
Can the most recent annual key statistics/volumes by applicable site be provided, including at least: <ul style="list-style-type: none"> • Patient days • ED visits • Surgeries • Births • Employees (FTE's) • Members of the Active Medical Staff • Other statistics you feel best represent the size/scope of your organization 	Yes, upon award of contract.
