**Director of Hospital Safety and Security**

With a strong commitment to raising the bar for healthcare in our community, Nassau University Medical Center is a Level I Trauma Center and a 530-bed teaching hospital affiliated with the Northwell Health Care System and Stony Brook University. The NuHealth System also includes a 589-bed Extended Care Facility and five Community Health Centers. NuHealth is a Long Island-based health system committed to delivering coordinated medical care and disease and lifestyle management to everyone, at every stage of life.

NUMC currently seeks a well-qualified candidate to serve as Director of Hospital Safety and Security. This candidate should be an accomplished Safety and Security professional with experience in reviewing and analyzing the needs of both Safety and Security programs. The position requires the ability to use the data from the analysis to design, implement and strategies to prevent adverse safety or security issues. Functioning as the designated Safety Officer for the organization requires the ongoing oversight of all areas of the hospital and affiliate campuses to minimize opportunity for patient and/or staff injury as well as ensuring compliance with all Joint Commission requirements. Position is responsible for management of the Security Department.

**Required Qualifications:**
Bachelor’s degree from a regionally accredited or New York State registered college or university and, either

- a) Seven years of satisfactory experience in hospital or health related facility safety and security operations, including four years in a supervisory or administrative capacity, OR
- b) Ten years of satisfactory experience in law enforcement and/or investigative work Homeland Security/Secret Service, Workplace Violence, general safety and security operations, including or supplemented by four years in a supervisory or administrative capacity.

**NOTE:** Experience, as outlined above, in excess of the seven or ten-year requirements, may be substituted for college education on a year-for-year basis. There is no substitution for the four years in a supervisory or administrative capacity.

We offer exceptional benefits including medical, dental, pension and much more! For immediate consideration please email a resume and a letter of interest placing Dir Safety/Security in the subject line to: careers@numc.edu. An EOE m/f/d/v
