III. Confidential Information

The New York State “Freedom of Information Law,” Public Officers Law Article 6, permits access to government records and may permit public access to proposals submitted in response to this RFP. To protect any portion of responses that constitutes technical, financial or other data whose public disclosure would cause substantial injury to a Proposer’s competitive position, or would constitute disclosure of a trade secret, a Proposer must designate any sections of its proposal that meet those criteria. NHCC assumes no responsibility for disclosure of unmarked data for any purpose. NHCC will review such designations in making its determination (which is made in NHCC’s sole discretion) whether disclosure is required, which determination shall be binding on the Proposer.

IV. Anti-Discrimination and MWBE Participation

It is the policy of NHCC to comply with all federal, state and local laws, policies, orders, rules and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, sexual orientation, age, disability, or marital status, and to take affirmative action in working with contracting parties to ensure that Minority and Women-owned Business Enterprises (MWBEs), Minority Group Members and women share in the economic opportunities generated by NHCC’s participation in projects or initiatives, and/or use of NHCC funds. NHCC’s anti-discrimination or other policies that promote equal opportunities shall apply to this initiative and MWBEs are encouraged to submit proposals.

Pursuant to New York State Executive Law Article 15-A, NHCC recognizes its obligations under the law to promote opportunities for maximum feasible participation of certified minority- and women-owned business enterprises (M/WBEs) and the employment of minority group members and women in the performance of NHCC contracts.

The selected contractor shall be required to use good faith efforts to achieve the participation of certified MWBEs as specified in this RFP or Bid, and if no participation goal is explicitly specified, participation amounting to 20% of the total value of the fees received by the contractor shall be the goal. As part of their proposal, respondents are required to include a completed MWBE Utilization Plan (the "Plan") using the form attached in Appendix I as part of their proposal. The Plan shall list each MWBE the respondent intends to utilize to perform the contract, a description of the scope of work to be performed by each MWBE, and the estimated or, if known, actual dollar amounts to be paid to each MWBE. Respondents should endeavor to utilize MWBEs as
subcontractors, subconsultants, suppliers, and/or enter into joint venture or teaming agreements with M/WBEs in order to comply with the MWBE utilization goals. In the event that a respondent is a certified MWBE the respondent should list itself in the Plan as performing 100% of the contract work and is not required to subcontract with other MWBE firms.

V. **Procurement Law Requirements**

Applicable New York State Law concerning procurements, including State Finance Law §§ 139-j and 139-k (collectively, the “Procurement Requirements”), apply to this RFP. The Procurement Requirements (1) govern permissible communications between potential respondents and NHCC with respect to this RFP during the procurement process; and (2) establish sanctions for knowing and willful violations of the provisions of the Procurement Requirements, including disqualification from eligibility for an award of any contract pursuant to this solicitation.

Compliance with the Procurement Requirements requires that (a) all communications regarding this RFP, from the issuance of this RFP through final award and approval of any resulting contract (the “Restricted Period”), be conducted only with the contact person(s) listed; (b) the completion by respondents of the Disclosure of Prior Non-Responsibility Determinations and the Affirmation of Understanding of and Agreement pursuant to State Finance Law, copies of which are attached to this RFP as attachments to Appendix I, and (c) periodic updating of such forms during the terms of any contract resulting from this RFP. Respondents must submit both of these forms, properly completed, as part of their proposals. The Procurement Requirements also require NHCC employees to obtain and report certain information when contacted by prospective proposers during the Restricted Period, make a determination of the responsibility of proposers and make all such information publicly available in accordance with applicable law. If a prospective proposer is found to have knowingly and willfully violated the State Finance Law provisions, that prospective proposer and its subsidiaries, related or successor entities will be determined to be a non-responsible proposer and will not be awarded any contract issued pursuant to this RFP.

More information about State Finance Law Sections 139-j and 139-k can be found at [https://online.ogs.ny.gov/legal/lobbyinglawfaq/default.aspx](https://online.ogs.ny.gov/legal/lobbyinglawfaq/default.aspx).

All potential Respondents are solely responsible for full compliance with the Procurement Requirements.

VI. **Selection Criteria**

Proposals from responsible parties will be reviewed and evaluated from the point of view of cost, qualifications, references and other appropriate factors relevant to: (i) the Proposer’s ability to provide the services; (ii) the anticipated quality of the services to be provided; and (iii) financial and other benefits to NHCC.
VII.  **Terms and Conditions**

A. This RFP constitutes an invitation to make proposals to NHCC. Accordingly, this RFP **does not** commit NHCC to award a contract, or to procure, or to contract for services or supplies. Notwithstanding any other provisions of this RFP, NHCC reserves the right to award this contract to the vendor(s) that best meet the requirements of the RFP, and not necessarily to the lowest proposer. NHCC reserves the right to accept or reject any or all proposals received as a result of this request; to negotiate with any or all qualified sources; or to cancel in part or in its entirety this RFP if it is in the interests of NHCC to so do. NHCC reserves and, in its sole discretion, may exercise any or all of the following rights and options with respect to this RFP, any proposals and any related agreements, without incurring any liability to any Proposer. Furthermore:

1. NHCC reserves the right to disqualify any and all proposals that fail to meet the requirements specified in this RFP.

2. NHCC reserves the right to determine whether to interview some or all or none of the Proposers, and to conduct any such interviews privately.

3. NHCC reserves the right to select and enter into a contract with the Proposer whose proposal best satisfies NHCC’s overall interests.

4. Because this RFP is not a “competitive bid” process, the Proposer submitting the lowest cost proposal, or the proposal projecting the greatest financial benefit to NHCC, may not necessarily be selected. NHCC instead reserves the right to select the proposal it believes to be most beneficial to NHCC, with financial terms not being the sole determinative factor. NHCC’s decision-making and selection process will be discretionary and will be based on a variety of factors. By submission of its proposal, each Proposer expressly understands, acknowledges and accepts that this is not a “competitive bid” process, and that NHCC is under no obligation to award a contract through competitive bidding, or at all.

5. NHCC reserves the right to waive, extend or otherwise modify any and all deadlines.

6. NHCC reserves the right to accept proposals in whole or part.

7. NHCC reserves the right to conduct investigations with respect to the qualifications of each Proposer, to make field investigations with respect to such proposals (including visits to the Proposer’s business offices or field operations).

8. NHCC reserves the right to request additional information from any Proposer and to rely upon any such information as well as any information obtained through NHCC’s own investigations.
9. NHCC reserves the right to cancel this RFP at any time whatsoever and for any or no reason whatsoever, with or without the substitution of another RFP.

10. NHCC reserves the right to supplement, amend or otherwise modify this RFP.

11. NHCC reserves the right to issue additional or subsequent RFPs with regard to the subject matter of this RFP.

12. NHCC reserves the right to negotiate with any Proposer, or with all or none of the Proposers. NHCC has no obligation to offer Proposers the opportunity to meet or exceed terms negotiated with a selected Proposer.

13. NHCC reserves the right to discontinue negotiations with any or all Proposers at any time and in NHCC’s sole discretion.

14. NHCC reserves the right to request new or revised proposals, including monetary terms from any Proposer at any time.

B. Preparation of a response to this RFP will be at the cost, expense and risk of the Proposer, with the express understanding and agreement of the Proposer, irrespective of whether it is selected, that it waives all claims whatsoever for reimbursement from NHCC for any cost or expense incurred in connection with or related to this RFP, including but not limited to the preparation of its proposal and any subsequent contract negotiation.

C. Each and every submitting Proposer expressly understands and agrees that this RFP is not, and shall not be construed as, an offer or an enforceable contract.

D. NHCC intends to enter into contract negotiations with the Proposer or Proposers selected, who shall be required to enter into a written contract with NHCC in a form approved by Legal Counsel for NHCC. The contract usually includes, without limitation, the standard clauses set forth in Schedule “B” and Exhibit “JC” attached hereto. This RFP and the Proposal, or any part thereof, may be incorporated into and made a part of the contract. The contract may contain provisions not contained herein.

NHCC reserves the right to negotiate the terms and conditions of the contract with the selected Proposer(s), if any. These negotiations could include all aspects of services and fees. Neither the selection of a Proposer nor the negotiation of the contract with such Proposer(s) shall constitute NHCC’s acceptance of a proposal or a binding commitment on behalf of NHCC to enter into a contract with such Proposer(s), as any binding arrangement must be set forth in a written contract signed by both parties and is subject to all requisite approvals.

The contract, if any, that is negotiated with a selected Proposer shall constitute the entire agreement between NHCC and the selected Proposer, and shall set forth all the terms and conditions applicable to the subject matter of this RFP. In the event of a conflict between this RFP and that contract, that contract shall control.
E. No Proposer who has submitted a proposal to NHCC shall have the right to assign its submitted proposal to a third party or the right to enter into an agreement with third parties to perform the services on Proposer’s behalf without the prior written consent of NHCC, which consent may be withheld in NHCC’s sole discretion.

F. This RFP shall be construed in accordance with and governed by the laws of the State of New York, without regard to conflicts of law principles. All actions or proceedings relating, directly or indirectly, to this RFP shall be litigated only in courts located within Nassau County or in the United States District Court for the Eastern District of New York. Each Proposer (by virtue of the submission of its proposal), submits itself, its successors and/or assigns (if any) to the personal jurisdiction of such courts, and waives any right to trial by jury.

G. The proposal shall be signed by an official authorized to bind the Proposer, and shall contain a statement to the effect that the proposal is a firm offer for a one hundred eighty (180) day (or more) period. The proposal shall also provide the name, title, address, and telephone number of the individual(s) with authority to negotiate and contractually bind the company, and who also may be contacted during the period of contract.

H. Proposals submitted become the property of NHCC. By submitting a proposal, the Proposer agrees not to make any claims for or have any right to damages because of any act, omission, misunderstanding, misrepresentation or lack of information.

I. Ownership of Work Product. Any work, goods, work product or property developed and/or submitted under or in connection with this RFP or order, and all right title and interest therein, shall vest in NHCC. This includes any and all data sets and computer programs created for this analysis including any enhancements to existing data sets provided by NHCC. This includes any and all work materials, draft plans, preliminary analyses, and all other work materials created by the contractor for this contract. In order to effectuate the foregoing, it is expressly understood and acknowledged that the work shall be deemed to be a work made for hire under the U.S. copyright laws. In the event that the work is determined by a court or competent jurisdiction not to be a work made for hire under the U.S. copyright laws, this RFP and any written contract executed by the parties theretofore shall operate as an irrevocable assignment by the successful Proposer/vendor to NHCC of the copyright in the work, including all right, title and interest in perpetuity.
