

**INTERNSHIP ADMISSIONS, SUPPORT, AND  
INITIAL PLACEMENT DATA**

**Date Program Tables are updated:** August 2020

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Applicants who are a good fit for our program have a strong interest in working with severely and persistently mentally ill, character-disordered and underserved populations. Applicants interested in learning about psychodynamic approaches effective with these populations would also be a good fit.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	<b>N</b>	Y	Amount:
Total Direct Contact Assessment Hours	<b>N</b>	Y	Amount:

Describe any other minimum criteria used to screen applicants:

- Applicant must be a doctoral student in good standing at an APA accredited Clinical or School-Clinical Psychology Program.
- Applicant must be approved for internship by the Director of Training at their graduate program.
- At least three integrated psychological testing batteries are preferred.
- Applicants should have some training and experience with projective testing (i.e. Rorschach training and experience )
