|--|--|

Learning Objectives: Upon completion of this session, participants should be able to

1. Identify the risk of COVID-19 related infections in PsA, along with their impact on therapeutic choice.
2. Pursue strategies to optimize PsA therapy in the COVID-19 era while minimizing risks and adverse events.
3. Assess methods for better evaluating and communicating with patients through telemedicine and virtual platforms.
4. Apply new ways to initiate and manage PsA treatment, monitor PsA disease progression and address adverse events via virtual communication.

Target Audience: Physicians, Fellows, Residents, PAs, NPs, Pharmacists, other Allied Health Professionals, Medical Students and all other personnel involved in patient care.

CME Accreditation: Med Learning Group is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: Med Learning Group designates this live virtual activity for a maximum of 1 **AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the live virtual activity.

Disclosure Policy: In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by med Learning Group must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, staff, and planning committee members participating in an MLG sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and /or provider(s) of commercial services that are discussed in an educational activity.

Planner and Speaker’s Disclosures: Med Learning Group requires that faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device not yet approved for use in the United States.

Funding: No commercial funding has been accepted for this activity.
