Learning objectives:

1. Provide an overview of the central tenets of Critical Race Theory (CRT) and ways in which to apply it to practice.
2. Discuss how psychoanalytic and psychological literature approaches intersections of race and trauma.
3. Examine how paralleling racial trauma can lead to clinician mis attunements in a same-race dyad.

Target audience: Physicians, Fellows, Residents, PA's, NP's, Pharmacists, Medical Students and all other personnel involved in patient care.

CME Accreditation: NUMC is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

Credit Designation: NUMC designates this *Live Activity* for a maximum of 1.5 AMA PRA Category 1 Credits TM.

Disclosure Policy: NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACGME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the CME content or may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

Planner and Speaker's Disclosures: “The planner(s) and presenter(s) do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.”

Funding: No commercial funding has been accepted for the activity.
