“A Whiteboard View of the New Era in Alopecia Areata: The Role of JAK Inhibitors”

Brett King, MD

Associate Professor of Dermatology
Yale School of Medicine
Yale University, New Haven, CT

Tuesday, May 25, 2021
12:00 – 1:00pm Zoom session

To join via Zoom Meeting

<https://us02web.zoom.us/j/85818216787?pwd=TIhQVWdYZEZld0RYallsbDZxd3gwdz09>

Webinar ID: **858 1821 6787**

Passcode: **123**

Learning Objectives: Upon completion of this session, participants should be able to

1. Elucidate the immune pathways involved in the pathogenesis of alopecia areata and their implications for targeted treatment.
2. Identify patients in practice who may potentially benefit from JAK inhibitors for the treatment of alopecia areata based on clinical trial data on their safety and efficacy.
3. Select optimal approaches for addressing the physical and psychological comorbidities of alopecia areata.

Target Audience: Physicians, Fellows, Residents, PAs, NPs, Pharmacists, other Allied Health Professionals, Medical Students and all other personnel involved in patient care.

CME Accreditation: Med Learning Group is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: Med Learning Group designates this live virtual activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the live virtual activity.

Disclosure Policy: In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by med Learning Group must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, staff, and planning committee members participating in an MLG sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and /or provider(s) of commercial services that are discussed in an educational activity.

Planner and Speaker’s Disclosures: Med Learning Group requires that faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device not yet approved for use in the United States.

Funding: ~~This activity is supported by an education grant from Lilly. No commercial funding has been accepted for this activity.~~
