Learning objectives:

- 1. Workshop participants will demonstrate learning by being able to identify myths and facts about borderline personality disorder (BPD) based on updated research about BPD.*
- 2. Workshop participants will demonstrate learning by being able to identify specific evidence-based treatments for borderline personality disorder, and why some people respond to some treatments over others.*
- 3. Workshop participants will demonstrate learning by being able to demonstrate a range of skills and best practices for working with people with borderline personality disorder, including an introduction to crisis intervention practices.*
- 4. Workshop participants will demonstrate learning by being able to identify the real-world barriers to care, such as the probative cost of treatment, cultural, racial or gender barriers. They will be introduced to community resources and supportive interventions to promote recovery.*

Target audience: Physicians, Fellows, Residents, PA’s, NP’s, Pharmacists, Medical Students and all other personnel involved in patient care.

CME Accreditation: NUMC is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

Credit Designation: NUMC designates this *Live Activity* for a maximum of 1.5 AMA PRA Category 1 Credits TM.

Disclosure Policy: NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACGME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the CME content or may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

Planner and Speaker’s Disclosures: “The planner(s) and presenter(s) do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.”

Funding: No commercial funding has been accepted for the activity.
