

Physician – BC Child Abuse Pediatrician

East Meadow, LI, NY. Nassau University Medical Center is a Level I Trauma Center and a 530-bed teaching hospital. We are a full-service community hospital located just 30 miles from New York City. We deliver excellent essential medical care, and disease and lifestyle management to everyone, at every stage of life. Currently, we're experiencing some exciting changes, including expanding our services and developing new programs.

We have an exceptional opportunity for a NYS Board Certified Child Abuse Physician to join our dynamic team of medical professionals.

We require:

- Board Certified M.D. or D.O. licensed to practice in the State of New York possessing an unrestricted DEA certification while maintaining required staff privileges
- EDUCATION: Degree of M.D. or D.O. with recognized internal medicine residency (three years minimum) and completion of a three-year, ACGME accredited fellowship in child abuse pediatrics

Certification/Registration:

- NYS Medical License, valid and unrestricted
- Board Certification in Child Abuse Pediatrics
- BLS, ACLS & PALS certification required
- DEA Certification, valid and unrestricted
- SAFE Certification

Please send your resume to us at careers@numc.edu. We offer a competitive salary, medical, dental, life insurance, NYS Pension Plan and other excellent benefits. An EOE m/f/d/v

Salary \$300,000
